

Premier Players New Ruling - 2022 for 2023

The committee has decided that we are not going to have a Premier Grade in 2023. Teams in 2023 will only be able to **register 3 players** per team from the 2022 Premier teams into PremA and A grades in 2023. For clarity, this is not 3 2022 premier players on court per team, this is only 3 x 2022 Premier players registered per team. The committee is hoping that adding Prem players to our other teams will firstly, make the competition a lot more competitive, but more importantly, help rebuild our teams so we can once again have a Premier grade. As you are seeing this email from your individual Club/Team point of view, please understand our role as your committee is to ensure we continue to keep our competition robust, fair, and enjoyable for all our teams, from our pēpi to us in seniors, this ruling, we feel is in the best interest of our Whakatāne Netball Competition.

We urge you to check if you have any players that were in any of the four Prem teams from 2022 below, that you only have 3 registered with your team. If you have four, someone needs to go into another team:

Poroporo Rewatu; Hashtag; Opotiki Sports Prem; Trident HS Prem 1.
